Dear Flying Partners,

### **Voter Registration for the General Election November 8, 2022**

I know many of you have transferred domiciles in the past few months. It's important that you register to vote in your address either Hawaii or California.

If you live in CA, HI, OR, NV, or WA, these states will have absentee/Mail-in Ballots for the upcoming election. Below we have added links to the states most of us reside in. If you have changed your address or name since the last election, it is important to the future of our lives as Flight Attendants that everyone be registered to vote and VOTE. It is not about who you vote for but that you do indeed vote. Please take a moment of your time and check the links below to ensure you are registered. If your state doesn't offer mail in ballots please sign up for absentee ballot.

I would like to congratulate Bruni who will represent us as AFA Honor Guard at the September 11 memorial at the Pentagon. She received this honor for her dedication to Government Affairs and continued to work on the Never Forget priorities. Thank you Bruni for all your hard work for all of us at Hawaiian Airlines and AFA-CWA.
