January 23, 2021

Dear Flight Attendants,

The Association of Flight Attendants (AFA-CWA) has joined the company in putting out the attached communication that contains important information on the COVID-19 vaccine. The communication also contains a Q&A that addresses many frequently asked questions. [Click Here for Q&A](#)

AFA-CWA is advocating as part of an industry coalition to have airline workers in Tier 1B. The Centers for Disease Control (CDC) is recommending the same however individual states will determine their own tiers. We will continue to advocate on your behalf and pass along information as it becomes available.

In Unity,  
Your AFA Leadership
