Surge Testing in the City and County of Honolulu, Reminder**

COVID-19 test kits are provided at no cost in an attempt to assist Hawaii with controlling the spread of COVID-19. On November 30, 2020, this free testing program will end. There are various test sites around Oahu which are available Monday through Saturdays, with the exception of next week's Thanksgiving holiday schedule.

Please visit [oneoahu.org/covid](http://oneoahu.org/covid) for the site locations, times and other information. Tests are available daily at the Waikiki Shell. Tests are also available at Ala Moana Beach Park on Wednesday, the 25th and at the Neal Blaisdell Center on Monday, the 30th. You will need to register at [doineedacovid19test.com](http://doineedacovid19test.com).
