Medicare 101

March 6, 2024

The AFA is proud to offer a Medicare 101 presentation, **March 6 at 10am hst/ 12pm pst** for approximately an hour. Before you say you are too young to attend, please keep in mind that it is never too early to educate yourself and if you have parents or grandparents this could be helpful information that you could possibly help them understand. It can be challenging to understand the annual changes to the programs as well as finding resources if you yourself have questions. Alan Young, the presenter, is licensed in both Hawaii and California. We hope you are able to join us.
