

## Aloha Flight Attendants,

As our term ends, we reflect on all that it means to be a Hawaiian Airlines Flight Attendant. From our first beginnings, we learned to spread our wings from the neighboring islands to North America and beyond. Flying together brought adventures with friends that have turned into family.

We entered office prioritizing bringing our Union back together in solidarity and collaborating as one. We have worked side by side with the Honolulu and Los Angeles leadership to provide support to Flight Attendants in the ever-changing environment of our industry.

With a hopeful heart of continued collaboration, we welcome the new administration of MEC Officers – MEC President Tim Green (Alaska), MEC Vice President Brice McGee (Alaska) and MEC Secretary Treasurer Paul Ikioka (Hawaiian). The local leadership teams of Martin Gusman, Joshua Aoki, Kela Chong, Paul Ikioka and Beth Hayes will remain in place to complete the duration of their terms. We leave you fully confident in their capable hands.

The departing MEC Officers have committed to remaining in an advisory capacity to ensure a smooth transition. It has been an honor to represent the best Flight Attendants in the industry, and we are very grateful for your support as we all head into this new chapter of our careers.

Me ke aloha pumehana,

*Joni, Scott and Lea*
