March 3, 2021

Dear Flight Attendants,

The American Rescue Plan with the extension of the Payroll Support Program (PSP) was passed late last Friday by the House and now it is in the hands of the Senate. Although everything remains on track; we need your help to #extendPSP to ensure all flight attendants stay connected to pay and benefits through the end of September and avert all furloughs. Call your Senators every day this week!

SENATE: 888-848-4824

"Hello, I am a constituent calling to ask [Senator] to help save my job as an essential worker. Pass the American Rescue Plan for all Americans and extend the Payroll Support Program for essential aviation workers through September 2021. Keep us connected to our jobs, our paychecks, and our healthcare. Thank you for your urgent attention to this."

Delayed Bidding Timeline Set to End in April

The delayed bidding timeline has been in place since April 2020 outlined in the first COVID-19 Temporary Contract Modifications Letter of Agreement. The delayed bidding timeline was necessary during the months of the pandemic when the state was completely shut down and the flight schedule was reduced, unstable, and subject to change day by day. The most recent COVID-19 Leaves, Temporary Contract Modifications and Contingencies Letter of Agreement allows for a return to the original bidding timeline outlined in Section 10 of the contract.

The AFA has informed the company that we would like to exercise the option to return to the original bidding timeline. This means the bid packet for May 2021 will be published on April 10, close on April 17, and this original timeline will continue going forward. Thank you for your flexibility and understanding during the months of the delayed bidding timeline.

COVID-19 Vaccination & Trip Removal

As more flight attendants are given the opportunity to get the COVID-19 vaccine, if due to getting vaccinated you experience any side effects and you do not feel well enough to work, you have several options outlined below. This information is also posted on the IFS website:

<https://hawaiianair.sharepoint.com/sites/ifs/SitePages/COVID-Vaccine-%26-Trip-Removal.aspx>

1. Drop your trip in FLICA
2. Contact an Inflight Manager to be removed without pay
3. Call in sick
