re: International Workers Day Event on Saturday, May 1, 2021

Dear Flight Attendants:

International Workers' Day is celebrated on every continent and is meant to celebrate the work of the everyday person. To honor labor and community, our Sister Union Unite Here, Local 5 is coordinating a march this Saturday.

If you are interested in joining other union members in the state, we will meet at the Kalihi District Park. From Kalihi to the world, we stand in solidarity with everyone who is in the same struggle as us. Please see the attached May 1st pdf.

As community members, please know that the Blood Bank of Hawai'i is always looking for donations. They will have new hours starting May 2, 2021; please see the attached pdf for more information.

We have a tremendous group of Flight Attendants and would like to take this opportunity to thank you and celebrate you!

Stronger Together, Better Together,
Jaci-Ann, Kahea, Kerri and the entire AFA Leadership

MAY 1ST

INTERNATIONAL WORKERS DAY

WE ARE THE COMMUNITY WE ARE THE UNION

We took care of each other during this pandemic—workers and neighbors in our community. We relied on ourselves.

Corporations have turned their backs on Hawaii. They're cutting jobs at Kaiser, at the airport, at hotels and everywhere else, protecting their profits at the expense of Hawaii's people. Hawaii's people must unite to protect our jobs to defend our community.

Politicians are not with us. The politicians haven't protected our jobs, haven't raised our minimum wage and haven't fixed unemployment. They fight for corporations to make more money, they don't fight for workers and our communities. Hawaii's people must elect our own politicians who will fight for us.

From Kalihi to the world, we stand in solidarity with everyone who is in the same struggle as us. It is up to us to stand together to fight for the future of Hawaii.
