**Re: Our Brother, Burrelle Thiim**

Dear Fellow Flight Attendants:

Our dear brother Burrelle Thiim passed away this weekend. Burrelle was indelible with his big heart, penchant for humor, charm and insightful wit. As we think of him with love and fondness, we also think of his wife Lisa, son Noah, sister Lauren and 'ohana.

Our hearts and prayers go out to the Thiims and their loved ones as they are currently taking much needed private time to cope with Burrelle's untimely passing.

For any of you who may need support as well, please do not hesitate to reach out to your Employee Assistance Team.
