

## November 1<sup>st</sup> Deadline to Upload Vaccination Card

October 29, 2021

Aloha LAX,

This is just a reminder that if you have not done so already, please be sure to upload your proof of vaccination to your UltiPro by clicking on **'Menu'** in the top left corner and then **'HR Help'**.

You can also email your proof of vaccination to [vaccine@hawaiianair.com](mailto:vaccine@hawaiianair.com).

By November 1<sup>st</sup>, if you have not uploaded your proof of vaccination, not applied and have been approved for a Reasonable Accommodation, or have not filled out the Attestation Form, you will be **separated from the company**. Please ensure that you have done one of the (3) three mentioned above.

If you have any questions, please reach out to any of your officers.

Mahalo,
