MASTER EXECUTIVE COUNCIL (MEC) ELECTIONS

The Hawaiian Airlines Master Executive Council (MEC) has collected Willingness to Serve statements through this afternoon. Please see the complete listing of candidates attached to this update. We are pleased with the many candidates that have expressed interest in serving the MEC and look forward to another productive 3-year term.

All candidates were offered the opportunity to interview with the MEC leadership over the past weeks. Although it is not required to interview, it is offered as part of the election process. We also received resumes and statements on a voluntary basis.

As the MEC continually evaluates our processes, we have conferred with the International office on how to proceed with video conferencing. After discussion, we have agreed to keep the MEC officer elections open and then close the MEC Chair elections to the members. We will, however, take notes and have the notes available – by request and via appointment – for personal viewing in the MEC office.

The Zoom meeting will be recorded and posted on the hawaiianafa.org website and on Hawaiian AFA Facebook Group.

Closing the MEC elections for the MEC Chair positions allows us to extend the courtesy of the election results privately with the respective candidates. After we contact all candidates, we will then post the election results on Monday, June 15, 2020 via email and also on our website. We hope that you understand our choice to respectfully share the results with each candidate.
