Dear Flight Attendants,

In the MEC Communication published yesterday, we would like to make a clarification to the paragraph regarding Vacation Cancellation Makeup. If you cancel your vacation after monthly bidding is closed, a Flight Attendant shall be available for make up for time lost due to cancellation. Trips may be selected from open time or by assignment by Crew Scheduling and printed on the Daily Flight Schedule. You may not pick up a trip(s) from another Flight Attendant. If you are not assigned you will be released and not put on standby. If you are a Reserve Flight Attendant and cancel your vacation, your work days will be restored and you will be placed back on the schedule for those days. Additional information about vacation is found in Section 18 Vacation.

Open time trips will be awarded per:

Section 7. Hours of Service, K. Order of Assigning Open Flying [TA 4.30.18]

2. Uncovered groupings day before departure

- a. Crew Scheduling shall award/assign open groupings to Flight Attendants in order of seniority on a daily basis per Section 12.N.3. as follows:
  - (1) Assigned to a Bid Flight Attendant in inverse order of seniority for make-up of canceled flights as provided in Sections 7.J.2. and 3.S.
  - (2) Awarded in order of seniority to Bid and GDO Flight Attendants who have submitted Trip Requests for pick-ups or exchanges including Flight Attendants who are available for time make up as provided for in this Agreement.
