January 14, 2021

Dear Fellow Flight Attendants,

The company has worked with the AFA-CWA to effect the Payroll Support Program extension and sent our involuntarily furloughed Flight Attendants and those who chose the 16.L Off-set Furlough leaves letters. Many of you will have questions that we believe will be addressed and answered in the company's communications. However, we would like to host a membership meeting for those who may have further inquiries.

We are planning to host a Zoom Briefing this **Friday, January 15, 2021 from 1200 – 100 pm/HST**. Our intent is to answer questions, as best possible, with the information that we have. Our thought is to separate how to answer our membership questions:

1200: set-up and welcome

1205 – 1230: focus on IVF Flight Attendant questions

1230 – 1255: focus on 16.L Flight Attendant questions

1255 – 100: summary and conclusion

Note: we will apologize, in advance, for any necessary or unforeseen adjustments.

Much like our other membership meetings, we ask that you log-on before the 1200 pm/HST start time. Although we allow a grace period for technical issues, we want our members to have the full breadth of our time together.

You are welcome to send your questions to us in advance at tinyurl.com/AFAQuestionForm. In terms of the meeting, we will attempt to sort the questions and the discussion based on topics: medical, pay, schedule, COVID LOA and miscellaneous.

For those members who are working or unable to join our meeting, we will post the meeting and then also send out a summary of the questions and answers that arose. This will be made available as soon as the video is processed and can be posted.

As we start the new year with much to look forward to, we are grateful for all of you. Thank you for supporting one another through both the good and bad times. Please take care of yourselves and stay safe.

Stronger Together, Better Together,
Joni, Scott, Chasity, Jaci-Ann, Josh
and the Entire AFA Leadership
