re: Thanksgiving Food and Clothing Drive

Dear Fellow Flight Attendants:

Starting Monday, November 15, 2021, we will provide pink donation bins for any canned food items, gently used clothing and toiletries for our Council 43 Thanksgiving donation. These items will be delivered to the Helping Hands Hawaii and Institute for Human Services, Inc. (IFS) on Wednesday, November 24, 2021.

We know that this pandemic has been difficult for many people - especially those who struggle to put food on the table and clothe their families. Any donation is greatly appreciated and will go to these charities under the Hawaiian Airlines Flight Attendant group.
