Dear Flying Partners,

**WE DID IT! YOU DID IT!**

I want to thank each of you, activists and members. Your calls to our Hawaii legislators early on was successful in gaining their support for a relief bill and extension of the Payroll Support Program (PSP). Thank you to commuters for making calls to your state legislators. **WE DID IT TOGETHER!**

The bill passed the House of Representatives with 359 yes votes and 53 no votes and in the Senate, the vote was 92 yes votes and 6 no votes. Our Hawaii Legislators voted  
Hirono: Yes

Schatz: Yes

Case: Yes

Gabbard: No

The full bill includes \$15 Billion to airlines for extending the PSP

AFA started our fight for a Covid Relief Bill that included an extension of the PSP in June and we never gave up. Together working with not only aviation unions but unions across the country we have proven the power of labor.

Please know that each of you have made a difference not only for yourselves but for your flying partners and families.

Have a safe Holiday,

Rick Schwabauer
