Dear Flight Attendants,

Happy Veterans Day

We observe this Veterans Day with appreciation for those who have served and those who continue to serve, especially our own AFA member veterans and all their families who support them. We are honored to fly with you. Please take time today to stop and think of our veterans and their families. Those who raise their hands to serve for all of us, along with their families who sacrifice to support them, deserve our full attention and gratitude today. Wishing everyone a safe and enjoyable holiday!

Vaccination Mandate – Executive Order Extension

Both the Federal Contractor and the OSHA COVID-19 Vaccine Mandates have been announced with a deadline of January 4, 2022, to be fully immunized against COVID-19. The two mandates vary slightly. Every airline including Hawaiian Airlines will have to comply with one of these and/or mandates from other countries. Our union's role is to ensure compliance with our contract and consistent, transparent and non-discriminatory standards for implementation.

AFA leadership continues to engage with management on how this affects our Flight Attendants and we will pass along updated information with the MEC and LEC communications.

CWA Joe Beirne Scholarship Program

The CWA Joe Beirne Foundation was established in October 1974 by the Communications Workers of America Executive Board to honor the name and memory of the founding President of CWA, who served for more than 30 years. In his capacity as the first CWA President, Joe Beirne took great pride in the roles he played in the fields of education and learning and other areas of social concern. On April 26, 1999, the CWA Executive Board voted to combine the Joseph Anthony Beirne Memorial Foundation and the Ray Hackney Scholarship Fund, thereby creating the CWA Joe Beirne Foundation.
