HAWAIIAN AIRLINES MASTER EXECUTIVE COUNCIL

October 28, 2020

Dear Fellow Flight Attendants:

It has been quite busy these past weeks as we hope for the Payroll Support Program (PSP) extension. We still remain hopeful. Should the PSP pass, there will be a lot of work and coordination to return our Involuntarily Furloughed Flight Attendants and effect the new COVID LOA portion in transitioning 16L Flight Attendants.

FLYING SCHEDULE

Some of our members found HA's general upcoming flying schedule on-line. Please know that the company provides this on their website and updates this reference weekly. While this guide is helpful, it is important to understand that the schedule may change based on the State of Hawaii's proclamations, other countries' requirements, and the demand for flying in/out of Hawaii. Log onto: hawaiianairlines.com, search: "Flying Schedule Updates" and click on the link for the upcoming months schedule. The current schedule is "October schedule November schedule US Domestic" dated October 28, 2020, version 26. [Attached]

HI CREW EXEMPTION and COMPANY POLICY

The company's new policy is in effect starting October 29, 2020. This is new and an adjustment for many of our members. Please adhere to the policy. If you need clarification or have questions, it is best to contact the company. The AFA's INTL office is looking into the policy in the event they can help provide guidance for the MEC. Should we get additional information, we will pass along the information to the FA group.

UNEMPLOYMENT INSURANCE (UI) [from June 1, 2020 MEC Communication]

Some of you have reached out with specific questions about applying for UI. Please note that there are far too many variables person to person. This makes it entirely too difficult to answer questions for each Flight Attendant. The recommended route is to reach out to the company's designated coordinator to help answer questions. You can also ask your questions directly of the UI department in the state that you are filing. As a friendly reminder, the AFA is not authorized to speak to the policies and practices of the UI office. This is outside of our purview and we appreciate your understanding.

On Monday, the Hawaii Department of Labor and Industrial Relations (DLIR) has announced that they have additional benefits. For more information: <http://labor.hawaii.gov/>
