Re: Whistleblower Lawsuit

Dear Fellow Flight Attendants,

Many of you have expressed concern about the recent news regarding a whistleblower lawsuit against the company. Please know that it is of the utmost importance for us to safeguard and respect any employees, including Flight Attendants, who may be mentioned in this lawsuit.

The AFA leadership is committed to protecting the confidentiality for any of the cases whether the Flight Attendant sought representation, support or to handle her/his case individually.

The safety and well-being of our group is our priority. We ask that you refrain from comment or questions on-the-line as there is oftentimes information that we are all not privy to.

Thank you for being mindful and respectful of our peers.

In Unity,
Joni, Scott and Chasity
and the entire AFA Leadership
