Extend the Payroll Support Program through September 2021

Everything is still on track in the legislative process to again secure all protections of the Payroll Support Program (PSP) April 1, 2021-September 30, 2021. There's no doubt we are all feeling the emotional toil of the chaos and uncertainty from July-December 2020, but we are now in an organized, step-by-step legislative process for the American Rescue Plan that has a deadline of March 14th, due to expiring unemployment benefits. President Biden has made this legislation the top priority of his administration.

An extension of the Payroll Support Program will ensure all our flight attendants stay connected to pay and benefits through the end of September and avert the impending furloughs projected for April 1. Please take a few minutes to make your calls, fill out the electronic forms, and ask your friends and family to help support the PSP! #extendPSP
