Memorial Day, Looking Ahead, Pride Month and Reserves

Dear Fellow Flight Attendants,

As the summer kicks off with Memorial Day, graduations, and many other celebrations, we look ahead with great excitement. One year ago, we did not know if our company would survive the pandemic. And while there is much work ahead, we are grateful to ramp up our flights and ask Flight Attendants to return to the line.

### **MEMORIAL DAY**

Today is a nationally recognized holiday when we honor American military personnel who have died in the performance of their military duties. This is an important day in our country's history for those who sacrificed much for our freedom and liberty. Here's to our treasured soldiers and their loved ones for protecting us and keeping us safe.

### **LOOKING AHEAD**

As some of you may know, Southwest Airlines has announced 17 new routes to and from Hawaii. Approximately 11 of these routes commence in June as they also sharply increased inter-island flying. While their announcement was alarming, we know that travelers choose Hawaiian Airlines because of the service we provide. As our adapted service resumes June 1, it is important to focus on what our passengers appreciate...our genuine Hawaiian hospitality.

### **PRIDE MONTH**

Pride Month is celebrated every June as a tribute to those who were involved in the Stonewall Riots. Additionally, here in Hawai'i, we recognize and commemorate the impact that lesbian, gay, bisexual and transgender individuals have had on history, in the month of October. We have a limited number of AFA Pride pins. For those of you who do not have a pin and are interested in wearing one, please email by June 11, 2021: [membership@hawaiian43.org](mailto:membership@hawaiian43.org)

### **RESERVE GUIDES**

As we welcome back familiar faces from their respective leaves, we can appreciate how our new flight schedule and the Reserve process can seem foreign to many of us. For a reminder on Reserve bidding, assignment, and other pertinent information, please refer to the [MEC Reserve guide](#). The company has additional information on the [new] IFS website under Crew Scheduling Reserve Guide. Together, these resources are helpful for our Reserve Flight Attendants.

Thank you for all that you do not just for our passengers, but the company, our communities and each other.

In Unity,  
Jaci-Ann, Kahea, Kerri and the entire Council 43 Leadership
