Dear Flight Attendants -

We have updated our [Navigating Change Document](#) (version 40). By reviewing and discussing other labor groups' programs, we created this guide as a resource to support our Flight Attendant membership. Please take the time to review this valuable guide and should you come across resources or information that may be useful to our membership, please do not hesitate to let us know. This is a living document, and we will continue to update periodically. A copy of this document can be found on our website: <http://hawaiianafa.org/mob>
