

Aloha everyone,

We have a fresh new look for our MEC Government Affairs newsletter and I would like to say it is an honor to continue my work as your Government Affairs MEC Chair.

TAKE ACTION: Tell Congress to Extend the Cares Act Payroll Support Program

We are calling for a six-month aviation Payroll Support Program extension through March 31, 2021. All aviation labor is standing together to call on Congress to pass a **clean** extension of the Payroll Support Program before the summer recess at the end of July. Waiting until Congress returns in September will be too late to prevent thousands of involuntary furlough notices being sent out.

We need action now! We need each of you to call, and please call three family members or friends everywhere and ask them to make two calls to the Senate and one call to the House.

House: 888-907-9365

Senate: 888-848-4828

When making the calls please say:

"I am a constituent calling to ask (Senator Name)/(Representative Name) to protect my job as an essential worker and aviation first responder. Please pass a **clean** extension to the CARES Act Payroll Support Program before you leave for summer recess the end of July. We must keep flight attendants and aviation workers connected to our careers, paychecks, and healthcare. Thank you for your urgent attention to this matter."

Thank you all for your assistance,

In Solidarity
