

MEC Alert

Hawaiian Airlines Master Executive Council

January 28, 2021

Dear Fellow Flight Attendants,

Many of you have received the company emails speaking to the next round of WARN Notices. WARN Notices will be sent out to hundreds of Flight Attendants and other company employees.

As we have done last year, the AFA is working with the company on abating the number of furloughs through the COVID LOA, next round of Voluntary Early Out Program (VEOP) and also the Collective Bargaining Agreement (CBA also referred to as "Contract") language for off-setting furloughs (Section 16.L). As our discussions with the company focusses on these options, please know that we are all committed to doing what we can to reduce the number of involuntary furloughs.

Once the discussions are complete, we will send out more information on what you can expect. We will also host a membership meeting to go through the options and answer your questions. The company has sent AFA a list of Flight Attendants who will be receiving WARN Notices which we have attached to the MEC Alert.

In the meantime, we look forward to welcoming 59 of our Involuntarily Furloughed (IVF) Flight Attendants back on the line in February. We know that this is a difficult time for them as well as all of our Flight Attendants receiving WARN Notices.

During this challenging time, we are here for you. Please let us know if you have any questions: TinyUrl.com/AFAQuestionForm and continue to be vigilant with your health and well-being.

In Unity,
Joni, Scott, Chasity, Jaci-Ann, Josh
and the entire AFA Leadership
