Panama City Fla. (WMBB) – Tuesday will follow Monday's weather with mostly cloudy and cool weather across the area. A shower will be possible for coastal areas and the forgotten coastline on Tuesday. Wednesday the warm front should lift north through the day this will allow for the chance of showers and storms in the area by Wednesday afternoon and evening. The shower and storm threat will continue overnight. Thursday the main feeder band could work through the area much like a cold front this could be a setup for strong t vere storms. That threat
