WHO ARE WE?

The Carolina Steppers, in partnership with the Wake Forest Center for Active Aging, is a **volunteer line dance troupe** dedicated to bringing the joy of line dance to the local community, most often through performances for senior living and skilled care communities.

WHAT IS THE COMMITMENT?

The Steppers dance to connect, spread joy, elicit positive memories, and enhance feelings of well-being. We perform **2 to 4 shows per year** (fall, holidays, spring) at four residential living and assisted care communities. Practice sessions are weekly, Thursdays at 10am.

AUDITION INFO

The audition will consist of **two dances performed with a group.**
The dance will be taught during the audition and performed with the group immediately after instruction.
