April

KINDERGARTEN CLASS NEWS

“For God so loved the world, he gave his one and only Son...”
John 3:16

A note from the teacher:

Welcome to April!

We are looking forward to a great month together after spring break. Information about our end of school year graduation will be sent home soon.

Thank you for meeting with us in March to discuss your child's progress!

Ms. Emily & Ms. Jennifer

Important Dates:

- ✓ April 3: No School, Good Friday
- ✓ Apr 6-10: Spring Break!
- ✓ Apr 13: Welcome back!

Looking ahead:

MATH	We will learn the quarter and dollar and the 3-dimensional shapes sphere and cone. We will introduce tangrams, counting by 2's, and learn even and odd numbers to 10.
SCIENCE	We will have fun learning about the life cycle of frogs and butterflies and will celebrate Earth Day with lessons on recycling and keeping our water clean.
PHONICS	Continuing with digraphs, reviewing what we've learned, adding "oo" and "ch". The combinations "ar", "or", and "er" and continue practicing our fluency and spelling.
SOCIAL STUDIES	We will start our unit about money and economics! This is a great tie-in to our math lessons about adding coins as well.
LITERACY COMP.	Our books this month are "Adventures of Beekle" and "Dragons Love Tacos". Two delightful fiction stories with great characters and settings.

Stay in touch :

Please call the school if you need to get in touch with us immediately!
