

WOODCLIFF LAKE
INTEGRATED PRESCHOOL CLASS OFFERED

The Woodcliff Lake Public School District is currently accepting applications for the Integrated Preschool for September 2020. The preschool will be conducted for two-and-one-half hours daily, five days a week, with both morning and afternoon sessions. The Integrated Preschool program incorporates the education of special education children with that of general education children offering a quality early childhood program. Special education children are selected and placed in the program through an evaluation process performed by members of the district's Child Study Team. Typical peers will be selected into the program through a lottery. The Woodcliff Lake Public School reserves the right to modify the typical peer program as needed. Letters of request will be accepted until **Friday, February 7, 2020**. Please send letters of request to the Special Services office at 100 Dorchester Road, Woodcliff Lake, NJ 07677, or fax to 201 391-0508.

To be **eligible**, children must be **three years of age on or before October 1, 2020**. A birth certificate, copy of immunizations, and proof of residency will be required of those students admitted into the program. Children are expected to be toilet trained since this essential skill promotes independence in all children. The Woodcliff Lake Board of Education has approved a yearly tuition rate of \$3,400 (10 months) for the enrollment of any typical peer selected into the program. Three-year-old children accepted into this program will be given a preferred opportunity to continue the following year.

A lottery will be held mid-February. You will be notified if your child was selected for the program no later than February 24.

Please feel free to contact Mrs. Jessica Ballester at 201-930-5600 Ext. 113 with any additional questions.
