

Ninth period enrichment

Spring 2019

What is it?

The Ninth Period Enrichment Program is unique to the Woodcliff Lake Schools. It is a student-centered, teacher-run after-school program. While 9th period is a program typically offered to students in Gr. 4-8, a new offering of French and Spanish classes is now available to students in Gr. 3 only. District teachers develop each course in its entirety. Celebrate Spanish will be held on Mondays; Fun with French will be held on Thursdays. The Spring session runs from Monday, February 4-Thursday, April 18, 2019.

Is there a cost?

There is **no cost!** Classes are *free of charge* and funded by the Board of Education.

How do we enroll?

Click on the registration links below. If you would like to enroll in a course, simply **click the link under the course name**. This will bring you to the online sign-up form (there is no paper sign-up). Once submitted, your child is enrolled for that course. **Space is limited and filled on a first-come first-serve basis.** Low enrollment may be cause for cancellation of a course. Please be sure to check availability for course dates and confirm that your child will be able to make all courses. Please also be sure that you have checked the days of each course.

REGISTRATION BEGINS WEDNESDAY, JANUARY 23, AND CLOSES MONDAY, JANUARY 28.

Where do I get more information?

Feel free to contact Mrs. Marchese at dmarchese@woodcliff-lake.com for questions.
