

# Ninth period enrichment

## Spring 2019

### What is it?

The Ninth Period Enrichment Program is unique to the Woodcliff Lake Schools. It is a student-centered, teacher-run after-school program for all 4<sup>th</sup> through 8<sup>th</sup> graders. District teachers develop each course in its entirety. Thus, a wide range of enrichment opportunities is available from which to choose this session! Dates for specific courses vary; the Spring session runs from Monday, February 4- Thursday, April 18, 2019.

### Is there a cost?

There is **no cost**! Ninth Period courses fall into one of two categories – academic and extra-curricular. Both types are *free of charge* and funded by the Board of Education. In future sessions, courses marked as extra-curricular in this catalog may have a nominal charge applied.

### How do we enroll?

Peruse the course offerings in Dorchester and Woodcliff below. If you would like to enroll in a course, simply **click the link under the course name**. This will bring you to the online sign-up form (there is no paper sign-up). Once submitted, your child is enrolled for that course. For many of the courses, **space is limited and filled on a first-come first-serve basis**. Low enrollment may be cause for cancellation of a course. Please be sure to check availability for course dates and confirm that your child will be able to make all courses. Please also be sure that you have checked the days of each course. If you are enrolling for more than one course, make sure that the courses do not fall on the same day. This ensures that students who wish to participate get a spot.

### **Peer Tutoring & Homework Habitat:**

Please see the first two course offerings in the Woodcliff Middle School section of the catalog for information. All correspondence should go to Mrs. Loeb ([sloeb@woodcliff-lake.com](mailto:sloeb@woodcliff-lake.com))

***REGISTRATION BEGINS WEDNESDAY, JANUARY 23 AND CLOSSES MONDAY, JANUARY 28.***

### **Where do I get more information?**

Feel free to contact Dr. Sullivan at [Sullivan@woodcliff-lake.com](mailto:Sullivan@woodcliff-lake.com) for questions about Woodcliff courses and Mrs. Marchese at [dmarchese@woodcliff-lake.com](mailto:dmarchese@woodcliff-lake.com) for questions about Dorchester courses!

Offered by:

Mrs. Sajban

Open to students in grades:

4th-5th grade students

Location:

Dorchester Room 28

**Tuesdays**  
**2:45-3:45**

Do you love doing paper crafts? If so, then you should try paper quilling! Paper quilling is a unique art that uses thin strips of paper that you roll, pinch, and form into different shapes. As you add each shape, your artwork becomes more interesting. Paper quilling is easy once you learn, but it does take patience and is a slow process. Come join me at Paper Quilling 101 and learn this amazing technique. At the end of the course you will have a one of a kind masterpiece! See below for samples made by Mrs. Sajban!
