

Community Memorial
HEALTHCARE

Apply to our Nurse Residency Program

Are you a newly graduated RN? Start your nursing career with Community Memorial!

The Community Memorial Healthcare Nurse Residency Program could be the perfect next step in your career. The program is a 12-month series of learning and clinical experiences designed to support recently graduated nurses as you transition into your first professional position. You will:

- Work in a direct care position in the acute care or emergency services setting in our academic medical center, Ventura campus.
- Become an RN I in Med Surg/Post Surgical, Medical Oncology, Telemetry, or ED, with exciting opportunities to further grow and enhance your nursing career.
- Earn \$48 per hour, shift differentials, and have access to competitive benefits.

**Applications accepted April 1 – May 9, 2025.
The program begins on July 21, 2025.**

Our Program

Applications are accepted each year, and top candidates are invited to a panel interview. Requirements include:

- A willingness to commit to the Nurse Residency Program and one year afterward
- Graduation from an ADN or BSN program accredited by the Accreditation Commission for Education in Nursing (ACEN) or the Commission on Collegiate Nursing Education (CCNE) **by June 1, 2025**
- A current California RN license by **July 1, 2025 (candidates may apply before licensure)**
- No paid RN work experience before the start of the residency program
- A nationally recognized (AHA, ARC) BLS and ACLS (for Telemetry and ED) certificate by the beginning of the program
