

Transforming Care Together: A NEW Integrated Care Pathway for COPD

Dedicated to improving care for COPD patients

TOWN HALL (virtual)

Introducing a **NEW integrated care pathway** that leverages the latest quality standards in primary and community care across London Middlesex.

This session will provide helpful tips, educational resources, and practical tools to support healthcare professionals in delivering coordinated, high-quality care for COPD patients.

Featuring:

- Dr. Mike Nicholson and Dr. Aatika Imran

Tuesday, Feb. 25, 2025
7:00-8:30 PM
