CMO Communities Indigenous Breast AND Cervical Screening Day

Please join us at the Strathroy Middlesex General Hospital in a private and supportive day of breast mammography screening and cervical screening.

CMO WOMEN

BREAST SCREENING: AGE 40-74
CERVICAL SCREENING: AGE 25-69

FRIDAY, MAY 30th, 2025
9 am - 12 pm | 1 pm - 4 pm

TRANSPORTATION & LIGHT REFRESHMENTS PROVIDED

PRE-REGISTRATION IS REQUIRED

TRADITIONAL TEACHINGS

Traditional knowledge on women's health will be offered by a Knowledge keeper/Elder.

WHAT TO EXPECT?

This is a **private breast & cervical screening event** held for local Indigenous women. **Transportation will be provided by Chippewa Health Centre, Muncey Health Centre and Oneida Health Centre.** Free parking available for those driving on their own. Women will be given the opportunity to ask questions about breast health in a positive and supportive environment.
