

Hello Sunrise Families,

As we prepare to move into the second month of school we continue to assess students, set their academic and behavior goals for the year, and as we get to know each student, focus on their needs. In early October students will do the STAR universal screener for Literacy and Math. We review the data frequently and encourage you to talk with your child and teachers to know and understand their developmental growth.

Thank you for dropping your child off at school between 7:45-7:55am. The gate will close at 8:00 daily. Should you need to arrive for any reason after that time you will need to enter at the main office doors. School for 5K students ends at 2:55 daily. Please make arrangements to pick your child up at that time.

For student safety, it is a law that you must stop for any bus that has the stop sign out or flashing red lights. This includes when the buses are in our parking lot.

Thank you to those of you who have signed up to be adult volunteers! Still interested in joining us at school? Please fill out an online application today and make a difference in the life of a child. Your support is appreciated!

Your Partner In Education,

***Kathy Jo Kostrova***

Menekaunee Sunrise Early Learning Center Principal

Mentor/Mentee Co-Coordinator
