January 25, 2023

Dear Parents/Guardians,

I can't believe it is that time of year already, but here we are! We are planning for our end of the year field trips. Preparations are well underway for students in Kindergarten through 4th grade to go to various locations for their trips at the end of May. The specific information regarding where and when will be communicated with you from your child's classroom teacher as plans are finalized.

In order to ensure the safety of all attending the field trip, there are certain expectations and criteria that need to be upheld during our school day for students to be able to attend.

**To attend the end of the year field trips, your child must have met the following expectations:**

- Have no more than 3 major behavior referrals.
- Have not been in in-school / out-of-school suspension.
- The building administrator has the discretion to use other data

**In order to be fair these expectations will start on February 1, 2023, and run until the date of the field trip.**

Students that are unable to attend the field trip will still be expected to attend school, with an alternative plan for the day.

If you have any questions please feel free to reach out.

Your partner in education,

Kathy Jo Kostrova

Principal  
Marinette Primary School
