

## **Stuff You Missed In Sunday School**

Sundays @ 10 am, Room 213

When was the last time you attended Sunday School? As a kid? Never? Well, whenever it was (or wasn't) we are pretty sure that you have never attended a Sunday School class quite like this one! GLC's adult education class is taught as if you were just hanging out with your friends, having fun, and learning a few new things along the way.

Each class we dig a little deeper into the scripture that was the base for the sermon that morning--except we DON'T do it as a Bible Study, we do it as a Sunday School class! That means: pouring over maps, exploration of word origins, learning customs of the day, revealing settings and political climates, unlocking traditions, discussing historical finds and much more! There are maps and posters, books and pictures, puzzles and handouts—all the fun parts of Sunday School!

The morning's sermon message combined with this class sends us out into the week even better armed to live a #generouslifeinChrist that we are called to do!

We hope that you will join us and check it out for yourself! Classes meet every Sunday at 10 am in Room 213
