YOU'RE INVITED TO BREAKFAST WITH THE NEW LAAHU BOARD

Meet the 2022 – 2023 LAAHU Board

We are thrilled to invite you to our 2022 LAAHU Board Installation breakfast! Come meet with our new board members and learn more about LAAHU activities and opportunities. We are pleased to introduce our keynote speaker, Sajid Ahmed of Afya Global Inc. Sajid Ahmed is an innovator and pioneer in healthcare. Sajid co-created eConsult, a true disruption of the referral process, increased access to specialty for the underserved. Sajid created the ELCIIT, artificial intelligence engine used by the U.S. Military to accurately diagnose conditions, providing appropriate care, increasing soldier readiness, and proving the use of AI in healthcare before it was popular. Sajid is highly respected healthcare executive, speaking about entrepreneurship, innovation, and health information technology. We can't WAIT to see you there!
