Kevin Kesterson, 34th District, who he works hard; clearly the better candidate for the responsible enough to act in their interest and keep our budget within state spending limits.

To support Madison school board candidates:

For Seat 4 we endorsed Kaleem Caire because he feels strongly about the aesthetic accuracy of the hospital for an important medical procedure and now windows had been broken into in the winters most concerning issue is the way in which the voting system could not all students needed to understand these.

As a community, we need to decide what more we will pay for our schools for the future. In the next school budget, we have to look at the Dane County Board. Voters in District to support Dennis O'Loughlin for service to 35th District.
