City’s 6 High Schools are to Graduate 2,100

TODAY (The Capital Times)

The Wisconsin high school with the most graduates will be Madison, as the six high schools are to graduate 2,100 students this year.

The graduates will be scattered throughout the state and will include students from 13 different Madison schools.

The six high schools are Madison East, Madison West, Madison Central, Madison North, Madison South and Madison North Central.

The graduates will be awarded a total of 702 diplomas, 338 for Madison East, 257 for Madison West, 145 for Madison Central, 106 for Madison North, 80 for Madison South and 77 for Madison North Central.
