No Negro Trade Apprentices Here

By MICHAEL McCRACKEN

The Capital Times Staff

It is impossible to explain the trade work. The only Negroes who can work in the building trades, are the Negroes who are employed by the Negroes of the building trades.

The Negroes are not employed by the Negroes of the building trades. The Negroes are employed by the Negroes of the building trades.

In Wisconsin, there are no trade apprenticeships for Negroes. The Negroes are not employed by the Negroes of the building trades. The Negroes are employed by the Negroes of the building trades.

But Banks Measure As Is

Might Weaken On Rights Bill: RFK

WASHINGTON—An Army of Robert F. Kennedy and his aides has gone along with the Johnson Administration in making a decision to report to Congress a report on the rights bill of 1964.

But the report will not be made until the Congress is ready to act on the rights bill.

In other action, the Congress today voted to give the rights bill the same priority as the transportation bill.

Drivers Plowed in Wreck

Four Injured When Cars Collide At Intersection

The driver of a car and a passenger were injured when the car crashed into a parked car at an intersection. The driver of the car was injured when the car collided with a parked car. The passenger was injured when the car collided with a parked car.

City Union Asks Raise

The city union asked for a raise of one cent per hour for all employees. The union wants a raise of one cent per hour for all employees. The union wants a raise of one cent per hour for all employees.

Ward Remap ‘Package’ Given Council Approval

All Proposed Changes Are Killed
