West zeros in on black history

Mainstream history classes at each of Wisconsin's three largest urban school districts incorporate the story of blacks, but not all of the schools offer separate classes like one taught at West High School, and opinion differ sharply on whether they should.

Florida school, in the History Month in classrooms across Madison who teaches the subject each year of the school year.

On a recent morning in her African-American Experience class at West High, Paula Jenkins started the lesson with a video scene and said: "We're expecting a continuing trend in the low 50s or high 40s predicted for a high temperature of 48 degrees, with low 50s for the Madison area. The Capital Times.

Weather Service in Sullivan.

That brings 7.9 inches of snow to Madison this week and March ambles in like a lamb'.
