Latest Tax Relief

Property taxes

Today

Taxpayers do not always get what they want from the property-tax process. Today, they do again on the verge of trying to fix the property-tax problem. A summary of the 2023 Wisconsin property-tax law changes is included in the story. The story is based on a report released by the Legislative Research Bureau.

Property taxes

Leases are a season's explanation - one of the key issues in the current property-tax dispute. The leasing process was designed to allow property owners to lease their property for a specific term, with the lessee responsible for maintaining the property. However, the leasing process has been criticized for not allowing property owners to maintain the property in a way that is consistent with the property's condition.

Forecasters say at least 8

Edison education reporter

Madison School Superintendent Terry Vorderbruegge said that the district is in the process of developing a new state regulation to improve minority student achievement. The regulation will focus on increasing the number of minority students attending high-performing schools and increasing the number of minority students graduating from high schools.

Minority grades emphasis urged

By Jennifer Riddle

The state board is expected to set a final deadline on integration by next spring.

East Side to get motel, restaurant
