

TEXAS Watershed Steward

The Texas Watershed Steward program is a free, educational workshop designed to help watershed residents improve and protect their water resources by getting involved in local watershed protection and management activities.

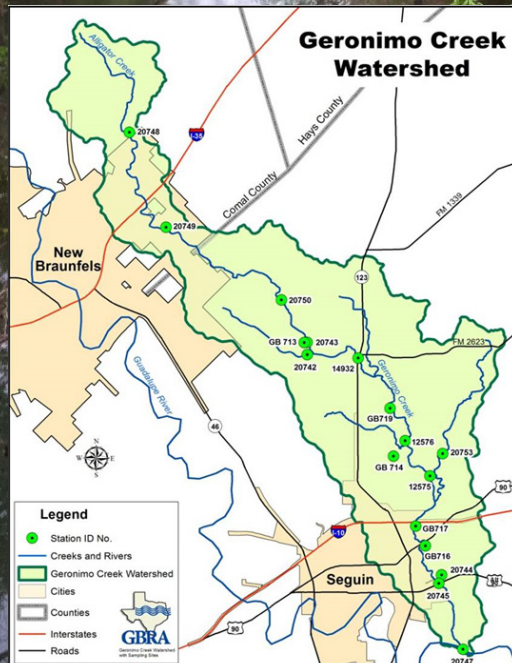

**February 5, 2019:
1:00 pm - 5:00 pm**

Old Mill Resort Event Center
1554 Gruene Rd
New Braunfels, TX 78130

The workshop will provide an overview of water quality and watershed management in Texas, including a discussion on Geronimo and Alligator Creeks and efforts by the watershed Partnership to help improve and protect them. Free continuing education credits offered for a wide variety of professional disciplines. For a complete list of CEUs/continuing education offered, or to register, visit our website or call the number below.
