

COMAL-GUADALUPE SWCD #306 RANGE CAMP

Texas State University Camp
Wimberley, Texas
July 16 – 18, 2024

Students must be 12 – 18 years of age
and have completed 5th grade to attend.

Students will gain hands-on experience including:

Plant ID & Collection

Students will learn how to identify range plants
and start their own plant collections.

Field Trips to local ranches and college campus soil labs

We've partnered with local land stewards to give students
boots-on-the-ground experience to emphasize learning objectives.

Range & Wildlife Habitat Management

Students will be exposed to the fundamentals of proper grazing
management and forage preferences of livestock and wildlife.

& Much More!

Other topics include soil health, brush management, rainfall
effectiveness, and rangeland health evaluation.

Cost is \$75 per student and includes all meals, lodging, and educational materials.
