

A FINAL WORD!

Well here we are, at the end of another great season of junior golf.

First and foremost, I want to thank all our parents, grandparents, family members, relatives and friends for your outstanding and unwavering support in growing the game of golf for our juniors. WE TOGERTHER make it what it is. It's not always easy to sit on the sidelines and watch your kids grow as they navigate their way down the fairways and climb up the junior golf ranks. Our kids learn a great deal about rules, decision making and integrity along the way. I commend you for being the "MENTOR" we require in golf. "BRAVO-ZULU" to you all.

Thirty-nine events in all including 16 2-day events and we only lost a few events thanks to the Corona Virus. The 3-series season went by fast, but the best part is we get to do it all over again, year after year. What makes this possible is all the GREAT SUPPORT from our area PGA Golf Professionals of the Northern Chapter PGA and the membership of their clubs. We have the best in North Florida and everyone understands the top priority is "GROWING THE GAME" and creating memorable.

We are also blessed with outstanding relationships with the Jacksonville Area Golf Association (JAGA), the First Coast Women's Golf Association (FCWA), PGATOUR Headquarters, the North Florida Section to the PGA and the South Hampton Golf Association. Additionally we are thankful for the great relationship with the Florida State Golf Association and the American Junior Golf Association. TOGETHER this all makes for support of many higher level golf and educational opportunities for our talented kids.

As you are all most likely well aware raising funds to support our program is one of my many major tasks. It's not an easy task, but once you, I and the kids show our partners and supporters the WIN-WIN in supporting junior golf and the North Florida Junior Golf Foundation the relationships last for a long time. We are blessed to have as our FOUNDATION PARTNERS; the Northern Chapter PGA (8-years), Capital Inventory, Inc. (8-years), Action News JAX (5-years) and Phil Mak Enterprises (3-years).

Our tournaments sponsors provided added funding relief and provided prize and award opportunity. With the loss of this year's Chip-In-for-Youth tickets sales to THE PLAYERS \$40,000). These sponsors stepped up to help save the day - Titleist, Foojoy, Florida-Georgia Windows and Doors, B&C Financial, Redefined Lighting and many other anonymous sponsors helped us become and stay the #1 junior golf program around. Thanks for your outstanding support!
