The purpose of the *North Florida Junior Golf Foundation (NFJGF) Duval Country Middle School Golf Program (DCMSGP)* is to promote and grow the game of golf in middle schools and counties where funding and opportunity to learn the game of golf is not available or offered.

The North Florida Junior Golf Foundation Middle School Golf Program is primarily funded by the Florida Junior Golf Council (FJGC) via grants and through the sale of PGATOUR sponsored “CHIP IN FOR YOUTH” PLAYERS Tickets. Over the past seven years we have been blessed to receive this outstanding support and raise needed funds to support our efforts keep this valuable program alive.

The long term goal of the NFJG Foundation Middle School Program is to expand to other counties making this a complete North Florida effort and involvement. This year the NFJGF DCMSGP has included eight (8) middle schools to include: Fletcher, Mayport, Kernan, Landmark, Twin Lakes, Landon, Oceanway and YMLA Middle Schools. More than 100 junior golfers will eagerly learn the game from a dedicated (PGA/LPGA and volunteer staff of instructors and school coaches.

The supporting Cast: Juniors will practice and play at: *Hidden Hills Golf Club, Brentwood Golf Club, Blue Cypress Golf Club, Blue Sky Golf Club, The UNF Golf Complex and Windsor Parke Golf Club with additional instruction at the World Golf Village Hall of Fame and the Slammer and Squire.*

The Season will start March 6, 2017 and run through May 2, 2017 with golf instruction and play on every Monday, Tuesday and some Thursdays.

The NFJGF DCMSGP Coordinator is LPGA Member Lynne Kirkpatrick. Lynne is dedicated to growing the game of golf for our juniors. Along with her supporting cast this program will once again flourish and achieve the goal of growing the game for our future generations to come.
