

Whistling Straits Trip

June 16-21, 2019

Greetings NFJG TOUR Players and Parents,

I just wanted to give a shout out one more time for anyone interested and considering joining us on the trip to Whistling Straits.

Golf at Whistling Straits has been arranged and the agenda along with fee structure is on the following pages. Juniors are getting a significant break in pricing for golf, but unfortunately the adults choosing to play will be required to pay full pricing.
