

North Florida Junior Golf Foundation

March 16, 2017

Established in 2015, The **North Florida Section PGA Junior TOUR (NFPGA TOUR)**, based out of Orlando, Florida is another great opportunity for our juniors in golf to develop their learning and skill. Our partnership is a mutual understanding that golf programs need to be more structured and accomplished like the **North Florida Junior Golf Foundation and TOUR** and others. The NFPGA TOUR will conduct tournaments in the Jacksonville Area coordinated with the NFJG TOUR to mutually support each other's organizations while promoting the growth in junior golf.

In partnership, the NFPGA TOUR guarantees the NFJG TOUR 12 spots in the **NFPGA TOUR Championship** held at the Reunion Resort in Orlando, Florida with the opportunity for our junior players to qualify for the **PGA Junior Championship**. These 12 qualifying positions will be determined based on the results of the **"Orange Park Open" and the "Dr. Gordon Ira Golf Classic"**.

On June 12, 2017 the **NFPGA TOUR** will host a single day event at **St. Johns Golf and Country Club**. This event will be a qualifying event for the NFPGA TOUR Championship and a widely attended event from the NFJG TOUR. Number of qualifying players for this event will be determined soon. We will keep you posted on that.

In Partnership the NFPGA **will waive** all membership fees FOR THIS EVENT ONLY.

All NFJG TOUR players are encouraged to attend this June 12th event.

Because membership fees are waived for this event, registration will only be conducted by sending an email to Ben Herring at BHerring@pgahq.com

I look forward to seeing you there and let me know if you have any questions.

See you on the links!

Sincerely,

Executive Director
North Florida Junior Golf Foundation
