

Jack Nicklaus Award

One of the many annual awards the NFJG Foundation and TOUR present to the players is the ***"Jack Nicklaus Award"*** and we are thrilled to present the award to deserving members.

The ***Jack Nicklaus Award*** is given to the player (male or female) who exemplifies the spirit of the game by his/her attitude, demeanor and whose values align with the character, sportsmanship, dedication and respect for fellow players as Mr. Nicklaus would demand.

This Award is nominated and voted on by the NFJG TOUR players. This nomination should be an honor for junior members to forward and be a great honor and huge responsibility for the player who is nominated.

- Junior Members in each of the selected competitive divisions may nominate ONE Player.
You **MAY NOT** nominate yourself.

Once the nominations are in, a list of nominees will be created and presented to the membership. All players will then vote for the nominees to determine the division recipients.

- Initial nominations are due by Wednesday, July 17, 2019
- Please send nominations to: jackaschenbach@pga.com

Players may nominate only one nominee and will have only one vote during the voting period in their respective division. Division recipients will come from the following Divisions.

- Boys 13-18 Divisions
- Girls 13-18 Divisions
- Boys 10-12 Division
- Foundation Division

To be eligible for the Jack Nicklaus Award members must have played in a minimum of six (6) single day and two (2) Web.com Junior Players Tour events.

Foundation Division Members need only play in 6 single day events.

You will find this player information by going to any tournament result page and clicking on the player's profile.

Voters may consider Foundation and community involvement along with TOUR portfolio.

Please contact Executive Director Jack Aschenbach for further information and questions.

Sincerely,

Jack Aschenbach, PGA
