Billy Graham

Satans tool for Unification of Religion

“...whether they come from the Muslim world, or the Buddhist world, or the Christian world or the non-believing world, they are members of the Body of Christ ...They may not even know the name of Jesus but they know in their hearts that they need something that they don't have, and they turn to the only light that they have, and I think that they are saved, and that they're going to be with us in heaven.”

During this trip, I was raped by media founder Ted Turner at a pedophile party held at Disneyland, and I was trafficked to the annual summer camp at Bohemian Grove attended by notable politicians, businessmen and other VIPs. I was raped by Reverend Billy Graham in a pink bubble themed cabin at Bohemian Grove.

Victim Names Voodoo Doughnut as a Child Trafficking Front

MICHAEL WHELAN says he was never dissociated from his memories of ritual abuse and child trafficking. He describes being a victim of the child hunts that Luciferian pedophiles are so fond of. Michael named Voodoo Doughnut founder Tres Shannon as a perpetrator of child trafficking. He just outed Voodoo Doughnut as a child trafficking front

Kenneth Copeland started his ministry under Oral Roberts 33rd Degree Freemason as a pilot.

Kenneth was on TV sometime around June 1997 praising Oral Roberts as they are close friends.

33rd Degree Freemason Robert Schuller also endorses his followers to chant "I AM

There was **outrage throughout the Southern Baptist Convention toward the report, considering that it generally acknowledged that Freemasonry teaches “Universalism”** (the belief everyone goes to Heaven, with or without Jesus). It was generally not well reported at the time that the report had been compromised by a clandestine Freemason heading it up.

THE JESUS SEMINAR IN THE SBC

Considering that over 1 million Freemasons belong to the Southern Baptist Convention, and many hold positions of authority, it is not surprising that in 1998 a Jesus Seminar leader was invited to address an SBC congregation.

Lamentation is often heard concerning the apostate condition of the Southern Baptist Convention. However, there is a reasonable explanation for the broad path which the SBC is traveling, namely important statistics regarding the number of Freemasons who hold membership in the SBC, as published by Biblical Discernment Ministries:

"U.S. membership [in the Masons] is claimed at about three million, with about five million worldwide... The official magazine of Masonry in the U.S. is titled New Age. Some church denominations are also led by avowed Masons. For example, a 1991 survey by the Southern Baptist Convention Sunday School Board found that 14% of SBC pastors and 18% of SBC deacon board chairs are Masons. It is also estimated that SBC members comprise 37% of total U.S. lodge membership. (A 2000 updated SBC report found that over 1,000 SBC pastors are Masons.)"

37% of 3,000,000 would have been 1,110,000 Masons who held membership in the SBC. This estimate was for 1991. How many are there today? Also, how many Masons attend SBC churches but do not hold formal memberships? And how many Masons belong to other Christian denominations? (A Freemason once informed us that the Masons encourage their members to go to church.)
