

Business Attire and Etiquette

As visitors to the RSFBPW Group, please be aware that we are expected to wear appropriate business attire while at the club and attending the meetings.

Low cut outfits and jeans are not permitted.

Additionally, the Club asks us not to use our cell phones to make or receive telephone calls while inside the building. If you receive a call you must take please step outside to complete your call. You may text if you have silenced your notifications and sounds, and we encourage taking photos of our members during our meetings.
