

President's Message

Happy New Year! The Minnesota/Dakota CCIM Chapter is excited about 2022 as we look to the future on the many ways we can capture the power of the pin. We are looking forward to offering all four core classes in person this year, starting with CI 103 in February and CI 101 in May, as well as providing more in person networking opportunities and beginning a mentoring program. Now is a great time to get more involved in your local chapter.

If you haven't already done so, please don't forget to renew your membership with the local Minnesota/Dakotas CCIM Chapter. You can renew through your ccim.com account by making sure to check the option to renew your local chapter dues, or by reaching out to our chapter directly at www.minnesotadakotascim.com or via email at mndakotaschapter@ccim.net.
